That We

J. W. STRAUGHAN.
—It is now thought that the
idea advanced recently by a Silonis river man to license all
steambrat watchmen, will become
a law, as it has been reported in
proper form to the United States
supervisors at Washington.

Odd, isn't it!
That in a loss there should be profit! But it is a fact, nevertheless,-and easily understood.

To have too many goods left. We bought heavily last full-acticipated big trade—had a big trade—hat—hat—got a good many remaints left—one of a kind—two Oash Grocer. It is Your Good Fortune
That were you can make \$1 to go as far as 2.00.

IT'S A LAW WITH US

Not to earry over one senson's slock. Better to lose a few dollars toos, than four or five time much next year. Goods get old, out of etyle, soiled, shopworn—ean hardly be sold at any price.

THAT'S WHY—There's Profit in the loss, THAT'S WHY—We make a price to sell 'em now. THAT'S WHY—Our Stuck is always fresh. THAT'S WHY—We are LEADERS in the trade.

We shall continue this sale this mouth, or until everything is cleaned up.
